Dear Kim:

The ILMA Board of Directors would like to congratulate National Lubricating Grease Institute on reaching its 75th anniversary. What an important milestone!

Many generations have come to know NLGI as the experts on lubricating grease and I know that future generations will benefit from all that your members have done for, and in, the industry. ILMA and NLGI are indeed forming a community among grease manufacturers and lubricant blenders that is important for the industry.

I look forward to working with you in future years as we educate endusers on what role lubricants and grease play in the marketplace.

Here's to another 75 years of excellence!

Best regards,

A handwritten signature in black ink that reads "Celeste Powers".
