

**Neil M. Canter**  
**Chemical Solutions**

---

Neil Canter received his PhD in Chemistry from the University of Michigan in 1983 and his BS in Chemistry from Brown University in 1978. He has been working in the metalworking fluid industry for 23 years. Neil previously worked for Stepan Company and Mayco. Presently, Neil runs his own consulting company called Chemical Solutions. He specializes in product development, technical service, regulatory support, and market development.

Neil is a member of the Society of Tribologists and Lubrication Engineers (STLE), Society of Automotive Engineers (SAE) and the American Chemical Society (ACS). He is currently Chairman of the STLE MWF Education and Training Subcommittee and Chairman of the STLE Education Committee. Neil is also a Contributing Editor for STLE's Tribology and Lubrication Technology magazine. He has made presentations at STLE Annual and Local Section Meetings over the past 20 years.
