

Dave Hands
Ford Motor Company

Mr. Hands received his Bachelor's degree in Biology from Harvard College and his Master's degree in Industrial Hygiene and Air Pollution Control from the Harvard School of Public Health. He worked for five years as an Industrial Hygienist for the Occupational Safety and Health Administration and four years at Clayton Environmental Consultants, now Bureau Veritas. Since 1985 he has been a member of the corporate industrial hygiene staff at Ford Motor Company, where he provides industrial hygiene services to the company's North American manufacturing facilities.
