

**Adrian Krygsman**  
**Troy Corp.**

---

Adrian is a graduate of the University of Maryland and worked briefly for the U.S. Food and Drug Administration in the area of immunotoxicology. Since 1988 he has been involved in various aspects of chemical regulation for Troy Chemical Corporation, a division of Troy Corporation and Aventis/Bayer Environmental Science. He addressed chemical regulations for Troy in the area of biocides and agricultural products both domestically and internationally whereas for Aventis Environmental Science he was responsible for U.S. regulatory compliance for the professional insecticides market.

Aside from his duties at Troy Corporation Adrian also serves as vice chair of the American Chemistry Council (ACC) Biocides Panel and numerous task forces and is a industry representative on the U.S. Dept. of Commerce Federal Advisory Committee (FACA) ITAC III on Chemicals.
