ILMA is pleased that through our relationship with the National Association of Manufacturers (NAM), we can offer two important resources to you and your employees:

One challenge many employers face is offering affordable and convenient health care options for their employees. ILMA can provide a benefit designed specifically for smaller manufacturing companies (less than 100 employees) — NAM Health Care.

Because ILMA is a member of NAM, you can join other companies to purchase and manage coverages together, which allows you to take advantage of enrollment efficiencies, administrative cost savings and more flexible product options previously only available to larger manufacturing companies. With NAM Health Care, your employees can get better health care and quicker enrollment, while making your job easier with ongoing benefits management and administration (which reduces your administrative costs.)

Visit www.ilma.org to learn more and get a quote. Questions? Call 855-463-8856.

NAM Health Care is fully ACA-compliant, administered by Mercer and sponsored by the National Association of Manufacturers (NAM), of which ILMA is an affiliate member. Plans are not available to member employers in all states.

NAM has partnered with trusted national nonprofits SBP and Good360 to share disaster resiliency and recovery best practices and to provide opportunities for impactful giving. ILMA can offer this partnership to members in the hope that it will help you and your employees better prepare for and respond to disasters both at work and at home.

SBP, a national disaster resilience and recovery organization, provides resources and training opportunities to help businesses and individuals prepare for the next disaster, as well as, navigate the complex recovery process, avoid costly mistakes and make informed decisions should a disaster occur.

Good360, a global leader in product philanthropy and purposeful giving, works with companies to get badly needed donated supplies to nonprofits working in all phases of disaster recovery at the right time.

To learn more, visit www.ilma.org and click on the Membership/Member Resources tab.

ILMA membership offers a wealth of benefits, with resources that help you and your business thrive in the global marketplace. Make sure to take advantage of them!
ILMA is the principal voice for the industry before Congress, federal regulatory agencies and other industry groups. In an accelerating global market with little concern for proprietary boundaries, ILMA’s singular voice for independent innovation and competition has never been more important!

Two Must-Attend Meetings Each Year
Spring’s ILMA Engage and the fall Annual Meeting draw together customers and suppliers for unparalleled networking, as well as informative and educational sessions on topics that matter to you, including legislative and regulatory issues, industry standards updates, family business, good management, best practices and more. Members receive discounted registration fees and hotel rates.

The ILMA App
Everything ILMA in the palm of your hand! Our app includes a membership directory, ILMA publications, staff and board listings, everything you need for ILMA Engage and the Annual Meeting, and more! Get it at the App Store and Google Play.

Compoundings Magazine
All personnel of member companies in the ILMA database receive a complimentary copy of ILMA’s trade magazine, Compoundings. Compoundings covers trends in the lubricants industry and provides members a top-tier venue to become known through advertising, columns and articles. Compoundings is also available in digital format, including archived issues.

BECOME A MEETING SPONSOR!
Another sure way to get in front of the industry is by becoming a sponsor of the Annual Meeting and/or ILMA Engage. There are many options to choose from and your company will be noticed on the ILMA website, in the meeting materials and on signage throughout the meeting. Depending upon the level of sponsorship, you’ll also receive complimentary tabletop display space in Base Camp (the meeting registration area).

Contact Tim Mack, tmack@ilma.org.

ADVISE WITH ILMA!
Under the Publications tab on www.ilma.org, click on Advise with ILMA to find out about opportunities to get your company name and brand out in front of a wide swath of lubricant industry executives. This includes Compoundings (print and digital), ILMA Week (weekly public policy and industry news roundup) and the Industry Directory (print and digital), as well as ILMA’s website and app.

ILMA WORKS FOR YOU!
Member Company Profile:
Key Representatives to ILMA for their company have the power to keep their company profile updated using the “Edit” buttons within the profile. Make updates to address, product offerings, personnel (edit company staff). Make sure when other members are searching for YOU, they will get only the most current information!

ILMA Works For You!
A poster you can download, print and place prominently in your offices or plants to let your employees know about the great ILMA resources they can access.

ILMA Week
Formerly ILMA Digest, ILMA Week is a comprehensive weekly roundup of all important ILMA, public policy and industry news.

Advocacy:
Under the Issues tab on www.ilma.org, you will find our Advocacy Agenda for the year, as well as information on current legislative and regulatory actions affecting our industry, and White Papers for more in-depth analysis of some of these issues. There are also videos posted periodically with updates and explanations of how these issues affect your business. And be sure to check out the International Index for global regulatory information from recent Compoundings articles.

Daily News on the homepage!
The news ticker at the top of the page gives a rundown of interesting, current industry happenings.

WEBSITE
The ILMA website, www.ilma.org, has a wealth of information and resources to keep members informed and connected.

The Digital Directories
Use the ILMA Power Search on www.ilma.org to find other member companies and their products. And now there is also a digital version of the popular and much-referenced Industry Directory on ilma.org, which includes companies, products, and individuals.

Individual Profile:
All member company personnel have the power to keep their individual profiles updated using the “Edit” buttons within the profile. Members like seeing you, so make sure to upload your photo!
